Notes

- Bus routes are featured in partial detail. For the full routes and lists of stops, please check the operators' websites.
- If you found a mistake, please be so kind to inform me by e-mail in order to improve future versions.
- English transliterations are based on wikipedia.org/wiki/WP:Hebrew. However, in some cases I preferred phonetic transliteration over the Wikipedia standard, e.g. Rishon LeTziyon rather than Rishon LeZion.
